THE PACIFIC SQUADRON.

Philadelphia Going South—Alert to Relieve Adams at Honolulu.

Vallejo, Oct. 15.—The flag-ship Philadelphia will come to the yard shortly for docking and painting, but is expected to remain here but a few days, as it is the intention to send her on a winter cruise down the coast of Central and South America, where the antiquated wooden cruiser Marion is now the sole representative of the United States.

The iron gunboat Alert, which has recently spent nearly a year on the Central American coast, will probably not go back soon, as the duty there is generally considered severe and the tropical climate is particularly enervating. The gunboat Bennington, which was recently thoroughly overhauled, will probably be the next ship to take the Central American duty. The Alert will probably go to Honolulu to relieve the wooden ship Adams.

Work on the hull of the Hartford, which is being rebuilt here, has been practically suspended after laying the spar and gun decks, and the ship, which has become a landmark in the years that she has been under repairs here, will probably remain a year or two more in the workmen's hands.

Work on the cruiser Charleston will be begun this week. She is to be completely overhauled, special attention being given to the engines and boilers. She will be ready for sea next July.

AND THE STARS ARE SORE

BECAUSE THE WAILUKUS SHOWED
THEM HOW TO PLAY BALL.

Large Crowd and an Interesting
Game—The Stars Were Out Played
at Every Point.

About 800 people and a host of small boys were present at Saturday's ball game and enjoyed themselves to their hearts' content. The sympathies of the crowd were with the Wailuku boys from the start and they were not misplaced. After some delay Chan. Wilder and George Angus consented to serve as umpires and the Wailuku team went to the bat. Six runs in the first innings showed they meant business and taught the Stars much more respect for their adversaries than they had hitherto had. The Wailuku boys put up an almost faultless game, only one passed ball being credited to them. Their fielding and batting was excellent and by far the best seen this season. Features of the game were some fine running catches and a hit over the right field fence for a home run by Kuikahi, the Wailuku third baseman.

The Stars played miserably and neither one of the three pitchers they tried helped matters. They showed a woful lack of practice and the usual large supply of over-confidence. The general opinion is that their defeat was a good thing for them as they are now aware that there are others who can play ball.

The details of the game are given below:

FIRST—For the Wailukus Ross was first to the bat and got his first on a miff by McNicholl. Cummings took his base on balls and Ross went to second. Meheula got first on a miff by Lishman. Ross came home on a passed ball. Kauka was hit by a pitched ball and took a base. Akina's three-bagger brought in three runs. Bailey came in on a passed ball. Mossman made his base and stole second. Kuikahi was struck out. Palea made first and Bailey scored. Ross flew out to Carter. Cummings struck out.

For the Stars Willie Wilder struck out, Willis flew out at left field, Hart made his first on a liner to first and was put out off his base.

SECOND—Meheula struck out. Kauka was put at first. Akina met his fate at the same place.

Harry Wilder got in a drive just inside the foul line for two bases. Pryce flew out to right field and Wilder went to third. Lishman failed to reach first and Harry Wilder was put out at the home plate.

THIRD—Bailey knocked a fly to Willie Wilder but Pryce wanted it as well and they came into collision, the batter getting to second. Mossman failed to reach first but Bailey took his third. Kuikahi struck out and Palea was put out at first.

WOODS was put out at first on a grounder to shortstop. Babbitt couldn't reach the first bag as quick as the ball nor Carter either.

FOURTH—Ross knocked the ball into pitcher's hands and went out at first. Cummings did the same thing and Meheula flew out to Tom Pryce.

Willie Wilder flew out at centerfield. Willis took his base on balls and was put out trying to steal second. Hart made first by a miff of third baseman, Harry Wilder got in a base hit and Hart went to third. Pryce flew out at left field.

FIFTH—Kauka made a base hit and was put out at second on Akina's single. Bailey's three-bagger brought Akina home. Mossman's single brought in another run. Kuikahi went out on a foul fly. Palea's hit to shortstop was muffed by Pryce and Mossman came home. Ross' single sent Palea to third. Ross' single sent Palea to third. Ross

stole second. Cummings' single brought in Palea and Ross. Cummings took third on a passed ball and came in on Meheula's single. Meheula took second on a passed ball. Kauka struck out.

Lishman took first and stole second. Woods struck out. Babbitt flew out to pitcher. Lishman stole third. Carter's single brought Lishman home. Willie Wilder flew out at right field.

SIXTH—Akina flew out at shortstop. Bailey flew out to Pryce and Mossman knocked a fly into Lishman's hands.

For the Stars Willis failed to make first, Hart's high foul went to third on a splendid running catch and Harry Wilder went out on another long run and fly catch by left field.

SEVENTH—Kuikahi got first by the skin of his teeth and came home on the overthrow to Willis. Palea went out at first and Ross followed suit. Cummings made a base hit, Meheula's base hit sent Cummings to third. Kauka's single brought Cummings home. Akina advanced everybody a base on four balls. Bailey flew out to Tom Pryce.

Tom Pryce went out at first. Lishman got in a two bagger and got third on a passed ball. Woods went out at first and Lishman scored. Babbitt made a safe hit and stole second. Carter's base hit brought Babbitt home. Carter was put out trying to get second.

EIGHTH—Mossman got first by Willis's miff. Kuikahi's hit over the right field fence was good for a home run. Palea's fly was muffed by Pryce, but he was put out between first and second. Ross made first and went to third on Cummings' two bagger. Meheula's single brought in two runs. Kauka made his base. Akina flew out to Tom Pryce. Bailey's base hit sent Kauka to third. Bailey stole second. Mossman was struck out.

For the Stars Willie Wilder was put out at first. Willis made his base by a miff of left field and was put out trying to steal second. Hart was put out at first.

NINTH—Kuikahi took his base on balls and stole second and took third on a passed ball and came home on another. Palea took his base on balls. Ross and Palea went out at first and second on a double play. Cummings took a base on balls. Meheula made first and Cummings went to second and stole third and came in on Kauka's single. Akina failed to reach first.

Harry Wilder made first and stole second and third. Pryce went out at first and Harry scored. Lishman flew out to catcher. Woods made first. Babbitt made a single. Woods scored while Babbitt was trying to steal second. Carter was put out at first.

Following is the score by innings:

	1	2	3	4	5	6	7	8	9
Wailuku	6	0	0	0	6	0	2	5	—21
Stars	0	0	0	0	1	0	2	0	—5

THE HAWAIIAN EXILES.

An Order for a New Trial By Mr. Justice Bole.

Vancouver, B. C., Oct. 8.—The case of the Hawaiian exiles, Muller, Cranston and Johnston, who were deported from Honolulu during the revolution on the steamer Warrimoo, and who are suing the Hawaiian Government through the Canadian Australian Steamship Company for \$50,000 damages each, came up in the Supreme Court again yesterday, when Mr. Justice Bole made an order for a new trial on Jan. 5 next. Meanwhile a commission will be sent to Australia to examine Captain Bird, who commanded the Warrimoo at the time of the incident, but who is now in business in Australia.
